

ONE STOP EDUCATOR

*Educator's One Stop Resource
for Monthly Fire & Life Safety Quick Teaching Topics*

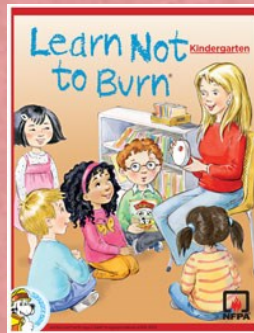

This February Edition of **ONE STOP EDUCATOR** will support and provide educators with teaching information and links to support topics discussed in this month's **SAFETY EDUCATOR NEWSLETTER**. It will also support *students wishing to participate in the Annual Fire & Life Safety Calendar Contest*.

LEARN NOT TO BURN

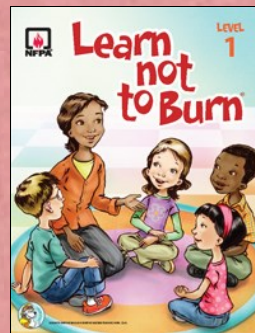

The National Fire Protection Association (NFPA) recently updated their educational programs to integrate literacy, movement, music, and dramatic play to provide a developmentally appropriate learning experience for preschool-aged through Grade 1 children. These educational materials are an excellent resource available to you and your students for free!

FEBRUARY: BURN AWARENESS

ANNUAL FIRE & LIFE SAFETY CALENDAR CONTEST TOPIC MATERIAL

The month of February in our Annual Fire & Life Safety Calendar is dedicated to the importance of Burn Awareness. We need your 3rd grade students to help spread the word with their drawing talents and fire and life safety knowledge by entering this contest! [Deadline: Feb 27th](#)

Hailee Peta of Hills Garrison School in Hudson would like to remind NH citizens to avoid burns by:

1. Never play with matches.
 2. Never touch hot liquids.
 3. Always open microwavable foods away from your face.
- Thank you Hailee for these reminders!
