

2016-2017

Bow Elementary School

Kindergarten Pre-Registration

We are beginning our pre-registration process for our upcoming school year. If you have a child who will be attending Kindergarten, please complete the information below and return it to Amy or Natasha in the front office as soon as possible.

How do I register my child(ren) for Kindergarten?

You may complete the attached form and return it to the BES office
or contact the office staff at 225-3049.

What information is required for registration?

As a requirement for student registration there is information that we must receive. Below is a list of items you may like to begin collecting to expedite your child's registration process.

*Copy of your child's birth certificate

*Copy of your child's most recent physical and immunization record (this is needed even if your child has a scheduled appointment after the date of this letter).

*2 proofs of residency. This could be a copy of a Purchase and Sales Agreement, Lease Agreement, Vehicle Registration or Utility bills. This applies, even if you have a child already enrolled in the district.

When will I receive my child's registration packet?

Registration packets will be sent out the last week of February. We would like to receive the packets back by Monday, March 28, 2016.

Your child's registration will not be valid until all information is completed and returned to the BES office. When student's registration information is returned in full to the office, we will schedule your child(ren) for their Kindergarten screening. Please take advantage of this advanced notice to gather the required information so you are better prepared when you receive your child's registration paperwork.

Thank you!
